PYRMONT 3/209 Harris Street

 1  1  1

The open living space is very generous in size with a functional design that allows for separated living and dining. Extending off the living area is a large courtyard that provides desirable entertaining and relaxing space.

The open kitchen incorporates ample cupboard space, 4 burner gas cook-top, full fridge space and dual sink wash area into a functional U shaped design. Beautifully finished in quality materials of wood and granite it will not require renovation for years to come.

The bedroom is generous in size with built-in wardrobes and natural light through windows that overlook the courtyard. The modern bathroom offers a shower over the bath and is finished in pristine white tiles. An internal laundry with washer a dryer space is located in the bathroom, hidden in an alcove that can be closed off.

Made complete with secure parking and located in a security building with common gym this one bedroom apartment is
