Impressive proportions, far larger than normally associated with a one-bedroom floorplan give this expansive courtyard apartment a great sense of space and privacy. Smartly appointed throughout, it is presented in excellent condition and makes a quality low maintenance home with a smart modern design, a choice of two private outdoor areas and a convenient ground floor position with its own level entrance.

Spacious split-level design featuring a generous open living space
Dual aspects offering great natural light and fresh air crossflow

A private front courtyard plus a large entertainment terrace
Large king-sized bedroom with built-ins and access to the balcony
Separate study nook plus a quality gas kitchen with dishwasher
A secure basement car space with room to park two cars
Air-conditioning throughout, full bathroom and internal laundry
Exclusive access to the Positano resort-style pool and deck
