OOPS – IT'S HAPPENED AGAIN

PROUDLY BROUGHT TO YOU BY
URBAN PROPERTY GROUP

Unfortunately the "We Love Thornton" extravaganza event proudly supported by Urban Property Group had to be postponed again due to the ongoing unpredictable weather.

The issue is Penrith Council needs to be confident that bringing all the fabulous exhibits and stalls and equipment for the stage etc that we have planned for the event will not cause damage to the beautifully maintained surface of Ron Mulock Oval.

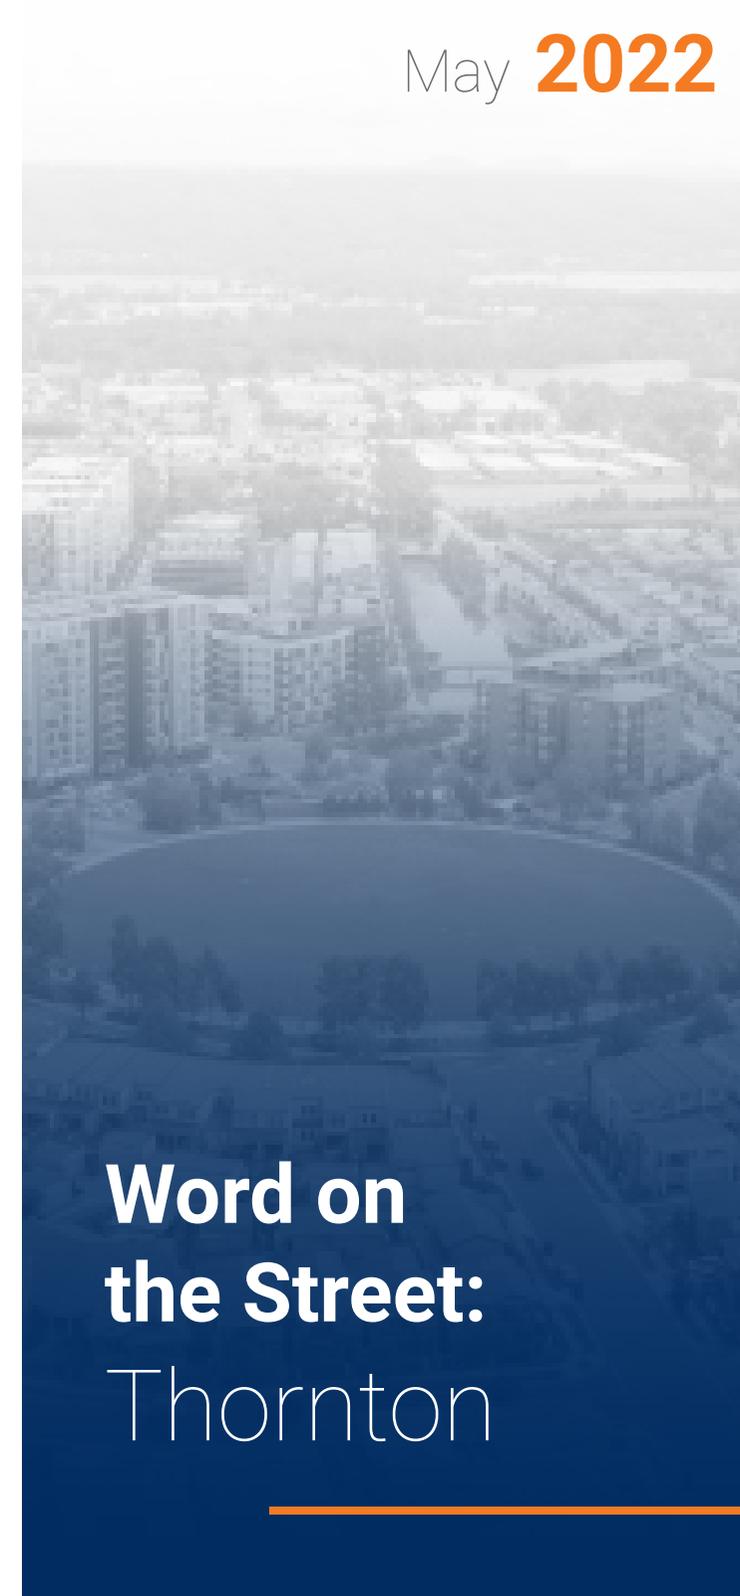

However if there is one thing the last couple of years have taught us all, it is how to be adaptable. So despite the ongoing setbacks The Thornton Community Group Inc organising committee, together with the generous sponsors of the event, remain committed to delivering what will be a wonderful community celebration.....when it does finally happen.

"There has been such a buzz of excitement from locals in support of the idea of celebrating the diversity of our fabulous community we are determined to bring the event to life," explains Marzi de Santi, Chair of the Organising Committee.

"We're now aiming for a date in September or October and working on a slightly different format so we won't need to rely on using the oval. Hopefully that will mean we will not be at the mercy of the incredibly unpredictable weather we have been experiencing!"
"While it is disappointing to have postponed it again the good news is that gives us even more time to organise and lock in more fabulous exhibitors, activities and performers. Watch this space and please get in touch if you have ideas or would like to be involved."

THORNTON COMMUNITY GROUP INC. COMMITTEE UPDATE

It is very exciting to report that the Thornton Community Group Inc has increased membership substantially as a result of the pro-active membership drive. The group is a not-for-profit organisation made up entirely of volunteers.

There are now 45 active members. Only a few months ago membership was at 26 so it is wonderful to see the numbers continue to grow and to welcome more and more locals who are keen to get involved and contribute to making our community a great place to live.

Much of the interest in the activities of the Group has come from community members attracted by the vast range of events and activities hosted by our enthusiastic volunteers. The Committee continues to demonstrate they have the energy, enthusiasm and commitment to bring ideas to life.

If you would like to get involved or have an idea for an event or a project you think would enhance, support or bring joy to your local community don't hesitate to get in touch.

What a great community we have here in Thornton! The future looks bright and exciting.
