GET TO KNOW YOUR COMMITTEE

MICHELE ZAMMIT

How long have you lived in Thornton?

Will be 4 years in October.

What brought you to this area?

I grew up around Penrith and still have family in the area.

What was it about Thornton that attracted you?

Convenient to everything and a beautifully designed neighbourhood.

Since moving to Thornton what has surprised you most about living here that you didn't know about before?

How friendly the residents are, there is a real sense of community and care for each other. I wasn't expecting to find that living in an apartment block but it is strong and genuine and incredibly welcoming.

How and why did you end up joining the Thornton Community Group and specifically the Management Committee?

Marzi invited me to become a member when I first moved to Thornton four years ago. He is quite inspirational in his enthusiasm for helping to make Thornton a great place to live! I loved the Thornton Community Garden but as my work got busy I became less involved and everyone was very understanding. It is a group of people motivated to make a difference but also conscious not to ask too much of their membership.

Have you previously been involved in a volunteer organisation like this?

I founded and was on the Management Committee for Emu Heights Theatre Company so I have seen the positivity that can come from within a group of people with shared interests and values.

What upcoming or planned Community Group events/activities are you most looking forward to being involved in?

We have some great existing activities such as the Community Garden and Hobby Hub, but what I'm most excited about is seeing what new ideas the group comes up with at the AGM on 3rd August for the coming year. That's the beauty of TCG - we get to decide what activities we want to make happen, and I invite all of the community to come and join in the fun!
