GET TO KNOW YOUR THORNTON COMMUNITY

Jenny Hogan

I have lived in Thornton for 3 years and 3 months.

I was attracted by the village atmosphere. Previously I lived around the corner for 39 years in the Belair estate and decided to downsize and moved in to Thornton Park Retirement Village with my cat Maisie who is now 18 years old.

I love the friendliness of people as you walk around the estate.

I look forward to the weekly gathering at the Community Centre for Hobby Hub activities and my visits to Profiteroles Cafe.

I joined the Thornton Community Garden and also became a member of Thornton Community Inc (TCGInc) shortly after moving in to the retirement village for an opportunity to meet other residents of Thornton and love the diversity.

Thornton is a unique area and whilst TCGInc group is still relatively in its infancy the potential for this community to be a showcase for future residential developments inspired me to join the committee and strive towards making Thornton a vibrant committee.

I am looking forward to a successful We Love Thornton Festival and the ongoing weekly activities promoted by TCGInc.

I encourage new residents to come to the monthly BBQ sponsored by Morton Real Estate, introduce yourself to TCGInc committee members and get to know your neighbours and other residents.

REVOLVER LOUNGE

Why did you decide to open in Thornton Estate – Penrith?

Thornton Estate is a great neighbourhood full of people who love getting together with family and friends. Whether it's for lunch or dinner, it seems like Thornton needed a restaurant in the area that is a fun, lively and full of amazing food!

What is the history of Revolver and the name?

The name Revolver came about while me and my business partner were in Bali. We stopped at a café there named Revolver and it felt right. I also have a love of antiques, especially antique pistols. As an antique guns collector, the name Revolver made sense!

What is your favourite thing about working in hospitality?

I have always worked in the hospitality industry. Every day is different and so are the people that walk through the door.

What's on the menu and what are your trading hours?

The food we will be serving is Mediterranean
Monday – Tuesday: Closed | **Wed – Thurs:** Dinner 4:30pm - 10pm
Friday: Lunch & Dinner 11am - 10pm
Sat – Sun: Breakfast, Lunch & Dinner 8:30am - 10pm.

What are the main features of Revolver?

We have a huge TV capable of showing many types of sports including UFC and NRL. We also have live music, DJ's, entertainment, our signature cocktail the "Smoking Revolver" and Shisha \$50 - \$100.

Tell us a bit about your history in the restaurant and bar industry

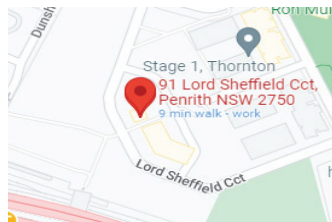

I have worked in hospitality all my life, working with my father since 15 years old. The expertise of the industry has been passed down from generation to generation. We have worked in Marrickville, Dulwich Hill and even in Adelaide.
